

To all Broomcorn Festival Vendors:

The Arcola Broomcorn Festival requires that all vendors must have liability insurance to participate in our festival.

While doing some research on my own, I found a company that provides insurance for festivals at a minimal fee. Several of my vendors use this Company. The name of the Company is Artists, Crafters, and Tradesman Insurance Program.

If this is of interest to you, contact them at www.actinspro.com for more information. Their phone number is 888-568-0548.

This company is in no way associated with the Arcola Chamber of Commerce or the Arcola Broomcorn Festival Committee. This is something that I found on my own to help my vendors.

You may contact me at 217 246-2612 if you have any questions or email: loretta@consolidated.net.
