Broom Corn Festival:

Arcola celebrates its heritage as the "Broom Corn Capital of the World" with the renowned annual Broom Corn Festival. Visitors can see broom activities, arts/crafts, free entertainment, great food, and a gigantic parade with the Famous Lawn Rangers.

Raggedy Ann Rally:

Every June, Raggedy Ann and Andy experts and enthusiasts gather in Arcola, the birthplace of Johnny Gruelle. They exchange their treasures, renew acquaintances, and visit the small town that was once the boyhood inspiration for the creation of the Raggedy Ann phenomenon.

Aikman Wildlife Adventures:

Drive thru or walk thru this Wildlife Park. See animals such as bison, deer, camels, Bobcats, Kangaroos, Foxes and much, much, more.

Wall Dogs Murals:

In June of 2012 a group of international artists, the Wall Dogs, visited Arcola, and they left 15 beautiful historic murals on our walls. Much beauty has been added to our little town and this transformation is a must see.
